Toll-gates.

Passes orders on the Report of the Joint Committee regarding the Establishment and Administration of —— on State Fund Roads.

READ—

Government Order No. L. 8795-814—L. B. 49-25-28, dated the 9th June 1927, passing orders on the report of the Joint Committee regarding the establishment and administration of toll-gates in the State.

2. Letter No. D 4602—27-28, dated the 5th December 1927, from the Deputy Commissioner, Mysore District, submitting proposals for opening new toll-gates in his District on State Fund Roads.

3. Correspondence ending with letter No. C. 1540—27-28, dated the 20th December 1927, from the Revenue Commissioner in Mysore, submitting with his opinion proposals received from the Deputy Commissioners of Bangalore, Tumkur, Hassan, Kadur, Shimoga and Chitaldrug Districts for opening toll-gates on State Fund Roads in their Districts.

ORDER NO. R. 5166-84—R. M. 9-27-4, DATED 13TH JANUARY 1928.

After considering the proposals made by the Revenue Commissioner and the Deputy Commissioners of Districts, Government are pleased to sanction the levy of tolls on animals and vehicles on State Fund Roads at the places noted in the accompanying statement. Tolls will be collected at these places from 1st March 1928, at the maximum rates sanctioned in the Government Order of 9th June 1927 read above. Arrangements should be made to adopt these rates from 1st July 1928, for toll-gates already established.

2. In modification of the instructions contained in Government Order dated the 9th June 1927 read above, Government have decided to retain the existing toll-gate at Yelwal on the Mysore-Coorg Road.

3. The right of collecting tolls at the several toll-gates may be disposed of, as far as possible, by auction or by inviting tenders. If contractors are not forthcoming, tolls may be collected by departmental agency. The Deputy Commissioners are authorised to incur expenditure according to the marginally noted scale for such of the new toll-gates as cannot be made over to contractors.

For each toll-gate.—One gate-keeper on Rs. 20 per mensem.
One peon on Rs. 10 per mensem.
For contingencies Rs. 5 per mensem.

4. The Chief Engineer is requested to take steps to put up toll-gates of a cheap design at the several places where the levy of tolls is sanctioned by this order and also to provide, in consultation with the Deputy Commissioners of Districts, sheds for the use of the tolls establishment.

5. Necessary funds will be sanctioned for the construction of toll-gates and lodges and for establishment charges on receipt of requisitions. Action should, however, be taken without waiting for further orders of Government so as to ensure the opening of the new gates by 1st March 1928 as already stated.

N. MADHAVA RAO,
Chief Secretary to Government.

To—The Revenue Commissioner in Mysore.
The Chief Engineer of Mysore.
The Deputy Commissioners of Districts.
